## TOYE CLOSES TOYOTA CUP SEASON BACK ON TOP

**Lowry, Curtis take 2nd and 3rd Place**

Rosamond, CA - After a month's hiatus, 2007 Toyota Cup Points Champion Jeremy Toye (#57) returned to his top perch in the season finale of the Unlimited Formula One featured series. It was Toye's 9th first place finish out of 11 attempts in 2007. He closes the season with 322 class points, an amazing 114 points ahead of his closest overall competitor, Jeff Stern (#33). Karl Lowry, (#42) finished his season strong with a 2nd place finish just .376 seconds behind Toye. Last month's Toyota Cup winner, Jason Curtis (#919) took 3rd with a finish a mere .615 seconds off the leader's pace. While Toye maintained his lead at each crossing of Start/Finish Lowry challenged the champ on several occasions only to see his fleeting advantage disappear when Toye gunned his GSX-1000 on the back straightaway. Lowry and Curtis exchanged 2nd and 3rd place spots several times during the 30 mile race. Chris Duran (#127) finished 4th with Robbie Dowie (#6) in 5th. Mitchell Wissner finished 6th with James Davis (#237) in 7th place. Matt Cardenas (#820) took 8th place. Jeff Stern, who had been racing as high as 4th place in the 9th lap had to settle for a 9th place finish after unknown gremlins appeared late in his race.

Jeremy Toye (#57) wraps up the 2007 Toyota Cup Series with his 9th win of the season. 2007 Overall Points Champ Karl Lowry (#42) finished second. Jason Curtis (#919) took 3rd

## Notes and Notices

### 2007 Number Assignment Information

Each year, there is much confusion and frustration over number assignments. To help you understand the process a little better, we have prepared the following facts for your information:

1. You can renew your membership and retain your current number (over 10) immediately. Appropriate forms are available online and are included in this month's newsletter. You must return your completed forms along with your membership fee BEFORE December 31st to assure yourself of the same number.
2. Numbers NOT renewed by December 31st are subject to reassignment without notice.
3. NO NUMBERS WILL CHANGE UNTIL AFTER JANUARY 1st, 2008. It is not possible to "reserve" a number that is already assigned.
4. Novice Racers will be assigned numbers from 500 and up
5. Probational Experts and Full Experts who do not finish in the Top 100 overall in 2006 will be assigned numbers from 101 and up. Probationary Experts and Experts may choose a number above 500 if they wish. Riders may request a vacant number (or numbers) when renewing, but no numbers will be reassigned until after New Years. Requests are honored on a first-come, first-served basis.
6. Two digit numbers will only be assigned to riders who finish in the Top 100 in Championship points for 2007 or to current two-digit number holders who renew by December 31st.
7. Number availability is limited. Riders with current WSMC number assignments may renew them and keep them no matter what their final 2007 point standing is. Riders who finish in the top 100 and request the number that they finish may receive a number higher or lower depending on availability after January 1st.
8. Numbers 1 through 10 are automatically assigned to those finishing in the top 10 overall.
9. Licensed WSMC racers may call the WSMC Office starting Thursday, January 3rd, 2008 after 1:00 pm to inquire regarding the 2008 number assignments. NO INFORMATION WILL BE AVAILABLE PRIOR TO THIS DATE.

Thank you very much for your understanding and best wishes for success in 2008!

### New Carryover Rules for 2008

Effective January 1st, 2008, carryovers may be used to pay for practices and race fees only. They may not be used in the future to pay for license fees or registration. Thank you for your understanding.
